REPORT OF CEMETERY TRUSTEES

The cemetery trustees submit the following report:

This year the road leading from the old to the new cemetery being in bad condition, a great many loads of gravel have been used for repairs.

A number of the perpetual care lots have been fertilized and the cemetery kept free from leaves.

All perpetual care lots were remembered as usual on Decoration Day with bouquets.

AUDITORS' REPORT

We have examined the accounts of the following town officers: Selectmen, Town Treasurer, Water Commissioners, Fire Wards, Cemetery Trustees, Library Trustees, Town Clerk, and Tax Collector for the year ending January 31, 1930, and find them correctly cast and properly vouched.

We find that the Road Agent's bills rendered to the Selectmen correspond with the orders issued to him.

THOMAS C. RODGER

ALBINA M. CAOUETTE

Auditors

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Greenville in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Greenville on Tuesday, the eleventh day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of same.
3. To choose Delegates to the Constitutional Convention.
4. To hear reports of agents, auditors, committees and officers heretofore chosen, and pass any vote relating thereto.
5. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money for the use of the Town.
6. To see if the Town will vote to raise and appropriate a sum of money to reduce the Town debt, or take any action thereon.
7. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars to reduce the Town water system debt, or take any action thereon.

8. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars to rebuild the sidewalks between the Parochial School and High Street, or take any action thereon.

9. To see if the Town will vote to adopt the Australian ballot in the election of Town officers, beginning with the Town Meeting in 1931, or take any action thereon.

10. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars for the general repair of sidewalks.

11. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars for the maintenance and further improvement of the Adams Hill road, or take any action thereon.

12. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars to install three electrically lighted silent policemen at the places where lanterns are now used, or take any action thereon.

13. To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars to repair the sidewalks in front of the residences of Amedee Ouellette, Edmund Ouellette and Hypolite Fournier, or take any action thereon.

14. To see if the Town will vote to rescind its action of the second Tuesday in March 1878, when the following motion was passed, viz.: On motion of Marshall Kimball, voted that the room now occupied by the Post Office shall be free of rent to all incumbents for the use of the Post Office and Bank for all time, indefinite, or until reconsidered by vote of the Town.

This action is proposed with the intention of getting a reasonable rent from the United States Government for Post Office quarters in the future.

15. To see if the Town will vote to raise and appropriate a sum of money necessary to repair the former H. H. Churchill store and equip the same to be used as a banquet hall, or take any action thereon.

16. To see if the Town will vote to give a rebate on taxes paid on or before a date to be decided upon at this meeting, or take any action thereon.

17. To see if the Town will vote to allow the Greenville Troop, Boy Scouts of America, the free use of the room in the Town Hall, formerly occupied by Churchill's store.

Given under our hands and seal, this 24th day of February, in the year of our Lord, nineteen hundred and thirty.

REPORT OF SCHOOL BOARD

To the Citizens of Greenville:

We herewith submit the following report:

For the first time in the history of the school, the graduating exercises were held in the evening and in the Town Hall. The members of the class took their parts in a very commendable manner before a large audience of townspeople who gave evidence of their approval and pleasure in the new plan. The exhibit of Manual Arts was unusually well finished and the work of the sewing class in dressmaking was so fine the Board decided the girls merited the use of a sewing machine.

Greenville is sending twenty-one of its young people to High School with prospects of a larger number attending next year. Consequently, the cost of High School tuition continues to increase until it has become one of the largest items in the budget.

BUDGET FOR 1930-1931

Estimated expenditures for the school year beginning July 1, 1930, and ending June 30, 1931, and recommendations of sums to be assessed for the support of schools and payment of statutory requirements.

ESTIMATED EXPENDITURES

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Greenville:

I submit my seventh annual report as Superintendent of Schools:

SCHOOL ORGANIZATION

For the fourth consecutive year Greenville has had no change in its regular teaching staff. This is unusual and highly satisfactory. Miss Bowden resigned as music teacher after three years' service and Miss Elsie Wheeler is doing that work this year.

The statistical report following shows about the same enrollment last year as the preceding year and a decrease of ten the current year. The per cent of attendance last year was a bit lower than the year before and was about the same the first sixteen weeks of the current year as in the corresponding period last year. Tardiness has been very greatly reduced in the last two years.

It is ten years since the school law first provided for a standard school year of thirty-six weeks. Since 1924 no school in New Hampshire has had less than thirty-six weeks. School enrollment has increased, and the per cent of attendance has been raised from 91 to 94.5. Pupils are staying in school longer,—85 per cent now complete the eighth grade as compared with 75 per cent ten years ago; 67 per cent enter high school in place of 55 per cent; 43 per cent graduate from high school instead of 31 per cent; 23 per cent continue their schooling beyond high school instead of 11 per cent.

High School enrollment has increased from 12,087 to 16,097, an increase of 33 per cent in ten years, with only 5 per cent increase in elementary schools.

While every school in the state is open for at least thirty-six weeks, the number of days school is actually in session varied last year from 169 to 187. The average for the state was 177 and this average has been maintained for the past four years. The Greenville schools were in session 185 days last year, a number which was exceeded by only one town in the state, Woodsville having 187 school days. This is possible on account of the thirty-eight week school year which Greenville maintains in common with a number of other towns.

SUPERVISION

The division of my time between class room visiting or supervision, and office work does not vary materially from last year, and as usual a considerable part of the office work has to do with the tabulating and interpreting of the scores from standard tests. The Stanford Achievement Tests were continued last year as in former years and the results were in general handled in the same manner as indicated in last year's report.

The standardized test in silent reading mentioned last year was repeated in October 1929 and the results compared with those obtained a year previous. The class work in silent reading during the year interval between tests laid emphasis upon the particular features in which the first test showed the pupils to be deficient, and the pupils who scored D or E on the first test were given special attention. The results of the second test indicate that our efforts were effective to a considerable degree, since there were 11 per cent fewer pupils getting scores of D or E than in the first test. This must stand, however, as a record of progress and

not of complete attainment of the goal, for there are still at least 8 per cent more pupils getting D's and E's than would be expected in a normal group of pupils.

Besides these two series of tests given for purposes of measurement, several other types of tests are being used frequently by the teachers for diagnostic purposes. An oral reading test is used in the first three grades by means of which the teachers determine from time to time what progress each child is making and in what respect improvement should be made. Similarly two types of language tests are used at intervals through the year to check up on the pupils' progress in mastering the correct use of language forms.

While these standardized tests and many other less formal tests devised by the teachers are useful in certain fields, we must keep constantly in mind the fact that there are many more phases of education that do not yield to such exact measurement, and also the fact that progressive attainment in those phases not readily measured is probably more important in the equipment of our young folks for their future lives than the things we are thus able to measure.

MEDICAL INSPECTION

Dr. Pease made the usual medical inspection in October and has reported the following:

	Public	Parochial
Number of children examined	61	201
Number absent	1	0
10% or more underweight	0	10
Defective vision	4	5
Nervous condition	0	2
Cardiac disease	0	1
Defective teeth	33	112
Diseased tonsils	8	16
Adenoids	8	16
Enlarged glands	1	0

Pediculosis	0	2
Skin diseases	0	1
Whooping cough	6	0
Unvaccinated	0	11

No record is kept of the corrective work done in response to the notices sent to parents because there is no school nurse.

The fact that Greenville schools are in excellent condition is due chiefly to the fact that you have continued to hold a group of excellent teachers for a period of years, but this fact has been made possible by the fine support and helpful interest of the School Board and citizens of Greenville.

Respectfully submitted,

VERNON S. AMES,

Superintendent
